EXPERIENCE

NBC News, Chicago
September 2019 to Present

Desk Intern

Works with Desk Editors to find breaking and feature stories from midwestern affiliates, newspapers, and wires. Produces remote live shots of midwestern events of interest to MSNBC. Monitors, logs, and updates feeds of material shot by crews and affiliates in the midwest region.

NBC News, Los Angeles
June 2019 to September 2019

Nightly News Intern

Logged tape and transcribed interviews with a quick turnaround for nightly broadcast. Collected user-generated content and first responder audio during breaking news coverage. Created animations and time-lapse sequences for *NBC Nightly News*.

NBC News, New York
March 2019 to June 2019

News Specials Intern

Produced research packets and production memos for upcoming special events. Created graphics and elements on the fly for live NBC News Special Reports. Assisted with the field production of the first Democratic Debate in Miami.

NBC News, Washington DC
June 2018 to August 2018

Technical Production Intern

Assisted with studio and field production for NBC News Specials and MSNBC. Contributed still photographs and video content to *NBC Nightly News* and *Meet the Press*. Shot, produced, and edited digital packages for nbcnews.com.

Kartemquin Films, Chicago
September 2017 to December 2017

Intern

Sound mixing and cinematography work on documentary production shoots. Catalogued, digitized, and transcoded archival tapes for broadcast. Logged transcriptions and tracked film release forms for Oscar nominated film projects.

ABC 17 News, Columbia, MO
June 2017 to August 2017

News Promotions and Production Assistant

Photographed and edited packages and live shots for a top-rated local newscast. Gathered video from news wires, internet sources, and onsite news archives. Produced short form topicals and news proofs for daily broadcast. Also worked as news intern, August 2015-May 2016.

AWARDS
